A GROWTH MINDSET IS THE KEY TO BUILDING RESILIENCY.

Chris Johnson

Training Consultant

Chris Johnson, comes with an extensive background in public education, both as a teacher and a school counselor.

After graduating with a Bachelor's Degree in Physical Education, he was a teacher and coach for Millard Public Schools while attaining a Master's Degree in Administration from UNL. He later obtained a second Master's Degree from UNO - finishing his educational career with Omaha Public Schools as a middle school counselor.

Chris is passionate in resiliency development and cultivating a growth mindset in adult learners. Ultimately making an impact on efficiency and productivity within an organization's workforce.

Education: BS in Physical Education, MA in Administration, MS in Counseling
