

Finding Childcare

ChildCare.gov

Helps parents access safe and quality child care services in their community that best suits their family's needs. Provides links to State or Territory child care websites that parents use to search for child care and consumer education information. www.ChildCare.gov

Child Care Aware of America

Provides all information relevant to child care including making choices, assistance to parents in their search for high quality child care, budgeting for child care and caregiver information. www.childcareaware.org

National Association of Child Care Resource & Referral Agencies

Online Child Care Provider Directory that is updated monthly. www.naccrra.org

Children's Health

Familydoctor.org

Comprehensive health related information for the whole family from the American Academy of Family Physicians. www.familydoctor.org

KidsHealth

Information on children's medical and emotional health, behavioral and parenting issues, nutrition and fitness, growth and development and pregnancy and newborns. Also offers information in Spanish. www.kidshealth.org

Caregiver Support

Family Caregiver Alliance

Supports and sustains the important work of families nationwide caring for loved ones with chronic, disabling health conditions. <http://www.caregiver.org>

**These resources are made available to you for informational purposes only. Best Care EAP does not recommend or endorse any provider. Parents/guardians should visit any potential providers, verify that they meet all of the all of the criteria you are looking for, and conduct the same level of research that you would normally perform in choosing a dependent care provider before making your final decision.
