

**“WHEN A CLIENT
LETS US KNOW
HOW OUR
COUNSELORS
HELPED MAKE A
DIFFERENCE,
NOW THAT
INSPIRES ME”**

Terry Coleman

Manager Clinical Services

For more than 27 years, Terry has been able to use his counseling skills and knowledge of EAP to assist supervisors, managers, and human resource representatives find ways to work with troubled employees.

He has been at Best Care EAP since 1993, after discovering what an amazing impact an Employee Assistance Program can have on the lives of those who take advantage of the service. He has been assisting employees and their family members ever since.

Terry also coordinates Best Care's onsite services, assisting employees who have been impacted by traumatic events in the workplace.

He manages the clinical counseling staff at Best Care and also supervises the State of Nebraska Licensee Assistance Program.

Education: BA in Sociology, MA in Agency Counseling; Licensed Independent Mental Health Practitioner, Licensed Professional Counselor
